Volunteers Needed for Tree Planting in White Cloud

October XX, 2017 – White Cloud, MI -- ReLeaf Michigan, a non-profit tree organization, is partnering with the City of White Cloud and the DTE Energy Foundation to plant 10 trees on Saturday morning, October 28.

Organizers are looking for volunteers for this project, which will enhance the overall tree canopy of Flowing Well Park. Families are encouraged and welcome to participate in the event. ReLeaf Michigan tree experts will be at the event to help volunteers learn how to correctly plant and maintain the trees.

Volunteers are asked to wear closed-toe shoes, comfortable clothing and bring a shovel and other appropriate tools. The group will meet at Flowing Well Park at 8:45 a.m. Saturday morning to sign in and enjoy light refreshments. ReLeaf Michigan will demonstrate how to properly plant a tree at 9:00 a.m., then the group will split up to do the plantings.

Event occurs rain or shine. No planting experience is necessary. Join us and leave a legacy that your children and grandchildren can watch grow and thrive, while also beautifying the area. We hope to see you there!

ReLeaf Michigan, a non-profit organization, partners with communities statewide to replenish our tree canopies through tree planting events. Trees provide many benefits to communities such as shade, improving economic vitality of commercial districts, absorbing storm water, and reducing carbon in our atmosphere.

Where: Flowing Well Park, 471 Held St, Everett Twp, MI

When: Saturday, October 28, 2017 from 8:45 a.m.-12:00 p.m.

Sponsors: ReLeaf Michigan (www.ReLeafMichigan.org)
City of White Cloud
DTE Energy Foundation
